

The PCISA Silver Doublehanded Championship was contested April 9-10, 2011 at the Encinal Yacht Club in Alameda. Eighteen teams competed, with conditions providing an excellent test of racing skill. Saturday saw light breezes give way to 19 knot winds for most of the afternoon, with 14 races completed. Ten races were completed Sunday in light, shifty breezes ranging from four to eight knots. Congratulations to the Point Loma High School team, who won both the A and B divisions in addition to the overall Championship.

Great thanks to the tremendous volunteers at EYC whose hospitality on land and crisp race management on water helped punctuate an outstanding event. Congratulations to all the competing teams for their excellent sportsmanship and effort at this year's Sliver PCCs!
