

OPENING DAY BOAT HOSPITALITY

SUNDAY APRIL 18, 2010

On Opening Day, at San Diego Yacht Club,
there's a wonderful, time honored tradition.
Yacht owners welcome members and friends aboard their vessels after the
Opening Day Ceremony.

Hospitality is a terrific way to celebrate the arrival of
The San Diego Yacht Club's 125th Yachting Season.
It's also a great way to establish new friendships, to renew old friendships
and to show off your boat to all.
The Yacht Club will provide some snacks and beverages
to help entertain your guests.

On Sunday morning, the Hospitality Committee will deliver the snacks and
beverages to your vessel. They will also attach balloon bouquets to your bow
or stern rail to help identify your boat as a "Hospitality Vessel".
