

One more time, and now in its thirty-second anniversary of the Mexican Ocean Racing Circuit, **MEXORC**. Established as one of the most prestigious international sailing events, it will take place within the Bicentennial Festivities of Mexico as one of the most important events for the newest international trophy, the **REGATA COPA MEXICO**.

REGATA COPA MEXICO is a joint effort between the Mexican Government and the Mexican Sailing Associations. It is a great international perpetual event, with multi-classes that takes place every two years, throughout the coasts and ports of Mexico. The objective is to stimulate and support the sailing sports and promote the natural beauties and infrastructure of our coasts while generating the interest of tourism to our country. With these joined efforts where the right ingredients make an outcome that promises to be a spectacular, successful event of quality racing, friendship, color and fiesta. **MEXORC** will take place from the 27th of February through the 6th of March 2010.

The Organizing Committee of the **REGATA COPA MEXICO** and of **MEXORC 2010** cordially invites you to the Presentation and Informational Receptions being held near you in the following dates and places:
