FOR YOUR SAFETY

For your safety, SDYC provides Lifeguards to ensure a safe environment and emergency situations. The lifeguards are not here to supervise your children. As such, all children must be actively supervised by an adult.

- All children 4 and under are required to wear a U.S. Coast Guard approved Type I, II, or III personal flotation device.
- Children under the age of 6 must be supervised in the water by a parent.
- Children in the age range 6-8 must be supervised and within arm's reach of a parent.
- Children in the age range 9-12 must be supervised from on the pool deck by a parent.
- Children under 13 years of age must always be accompanied by an adult.
- Children 5 years old and younger are not allowed in the spa at any time.

All children must undergo a swimming test with the lifeguards on duty to assess their swimming abilities.

In addition to the above, we ask that you please sign in with the lifeguard upon your arrival. A folder will be provided for you to quickly sign in.

For our youngest SDYC members, we have provided swim diapers for your convenience. The use of a swim diaper and a diaper cover is required for any swimmer that is not potty trained or is being potty trained.
